I. INTRODUCTION

In 2010, the United States Census reflected that Lake Havasu City population surpassed the 50,000 threshold thus requiring the establishment of a Metropolitan Planning Organization (MPO). The Lake Havasu Metropolitan Planning Organization (LHMPO) received its designation as a Metropolitan Planning Organization (MPO) from Governor Janice K. Brewer March 26, 2013, and began operation in December 2013. The LHMPO is responsible for the continuous, cooperative and comprehensive transportation planning process for the Lake Havasu Metropolitan Planning Organization Planning Area.

Mission Statement

The mission of the Lake Havasu Metropolitan Planning Organization (LHMPO) is to provide open leadership and guidance for regional transportation planning through a cooperative effort that will result in a practical and positive growth model beneficial to residents, visitors and businesses.

Purpose

The purpose of the LHMPO TIP is to provide a prioritized listing of transportation projects covering a period of at least 4 years that is consistent with and implements the goals and objectives of the most recently adopted **Regional Transportation Plan**. The most recent RTP (2045 Regional Transportation Plan) was adopted in February 2022 and is available on the LHMPO website: <https://www.lhmopo.org/studies/regional-transportation-plan>. The TIP is developed in cooperation with the State and required to be prepared in complete detail identifying projects, costs, funding sources and years. The TIP contains all transportation projects within the LHMPO region to be funded by Title 23 and Title 49 funds, and all regionally significant projects. The TIP is developed to be consistent with federal and state requirements, reviewed annually, and revised as necessary. Years 1 – 4 of the TIP **must** be fiscally constraint.

Executive Board

The Executive Board is the policy body of the LHMPO coordinating the transportation planning activities. The Executive Board consists of elected officials from Lake Havasu City, Mohave County; one member from Arizona Department of Transportation State Transportation Board (appointed by the Governor of the State of Arizona).

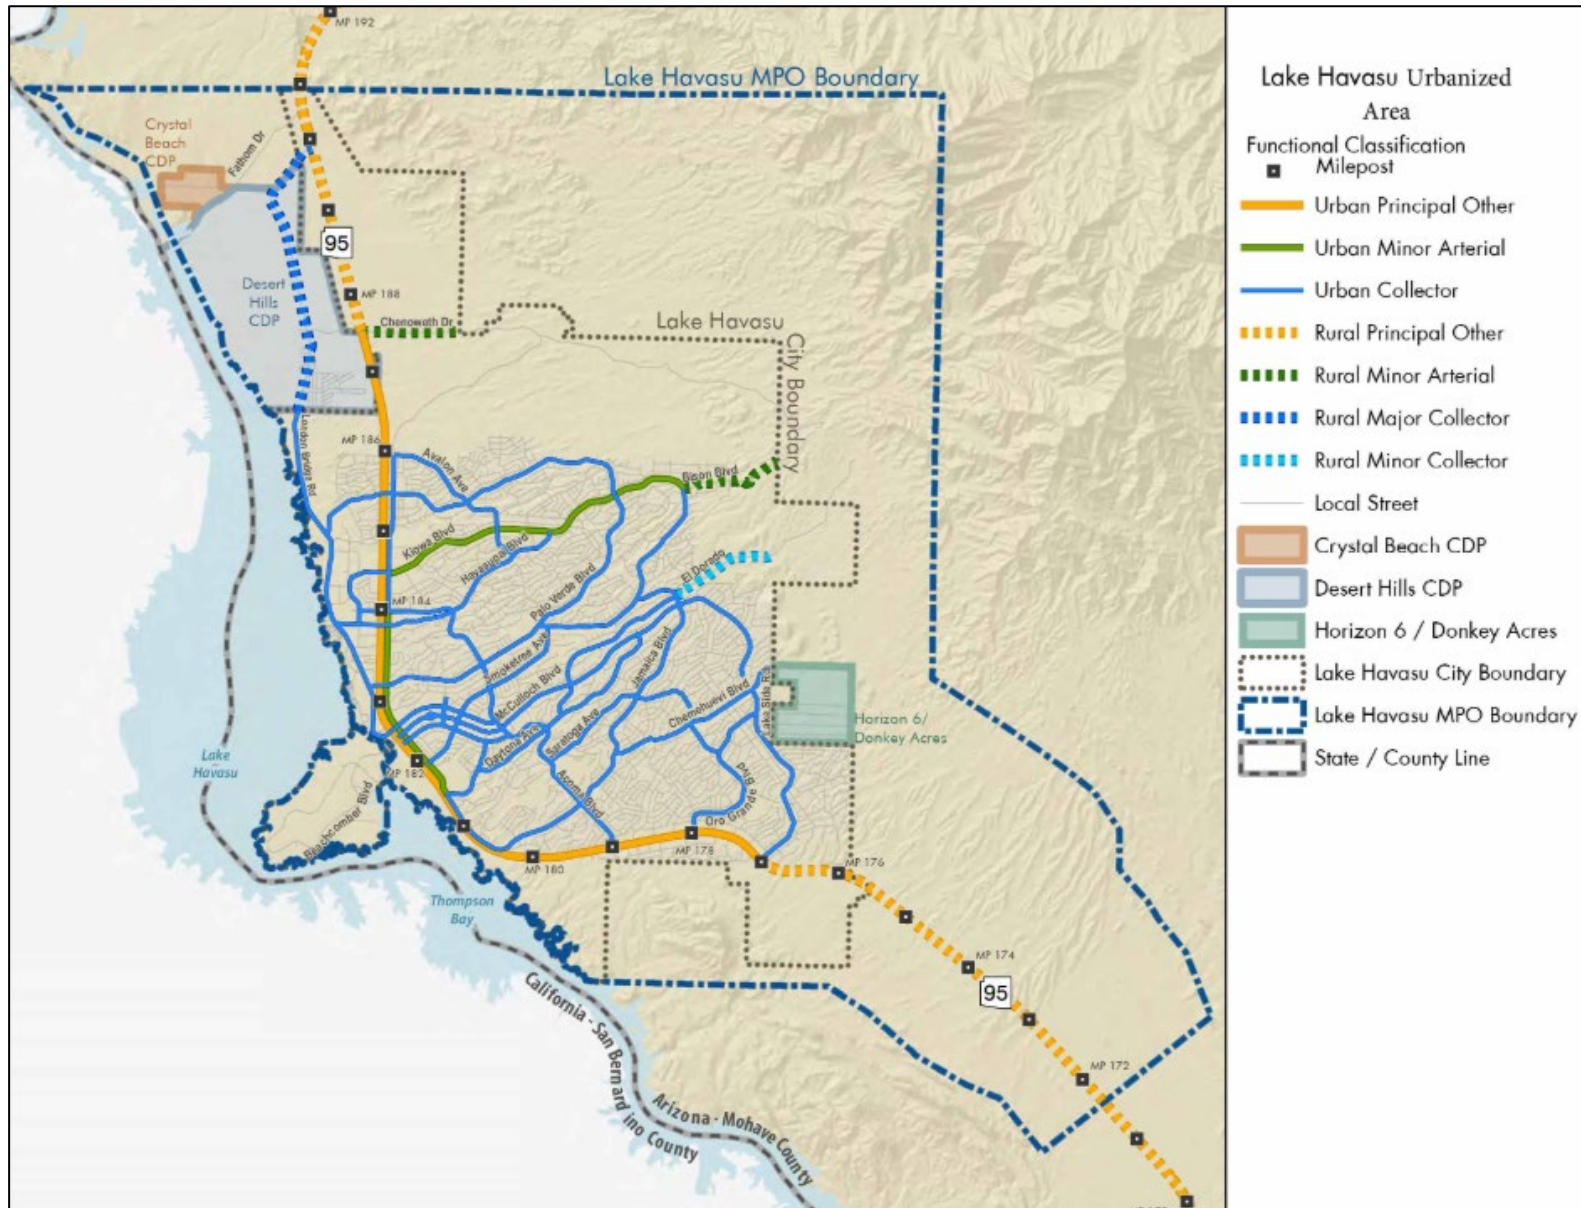

Technical Advisory Committee (TAC)

The TAC consists of eight (8) technical and managerial representatives from: Lake Havasu City (3); Mohave County (2); Western Arizona Council of Governments (WACOG) (1); the Arizona Department of Transportation (ADOT) (2) as members. The primary responsibility of the TAC is to perform technical reviews and analysis regarding project related activities of the TIP and make recommendations to the Executive Board.

Geographic Area

The Lake Havasu Metropolitan Planning Organization (LHMPO) planning area boundary encompasses all areas within the Lake Havasu City limits, the Mohave County area north of the City limits known as Desert Hills, Havasu Gardens, Crystal Beach and the Mohave County area southeast of the City known as Horizon Six. The planning boundary of the LHMPO is approximately 100 square miles. **Figure 1** shows a boundary map of the LHMPO region.

Figure 1: LHMPO Planning Boundary

II. PUBLIC INVOLVEMENT PROCESS

Federal legislation requires a public involvement process that provides comprehensive information, timely public notice, and full public access to key decisions and is supportive of early and continuing involvement of the public in all areas of the transportation planning process.

The Public Involvement Plan adopted by the Executive Board July 8, 2014 and last amended on June 7, 2022 contains background material, guidelines, and commitments that LHMPO is undertaking to incorporate an effective public process into future plans, projects, and programs. Specifically, LHMPO is committed to:

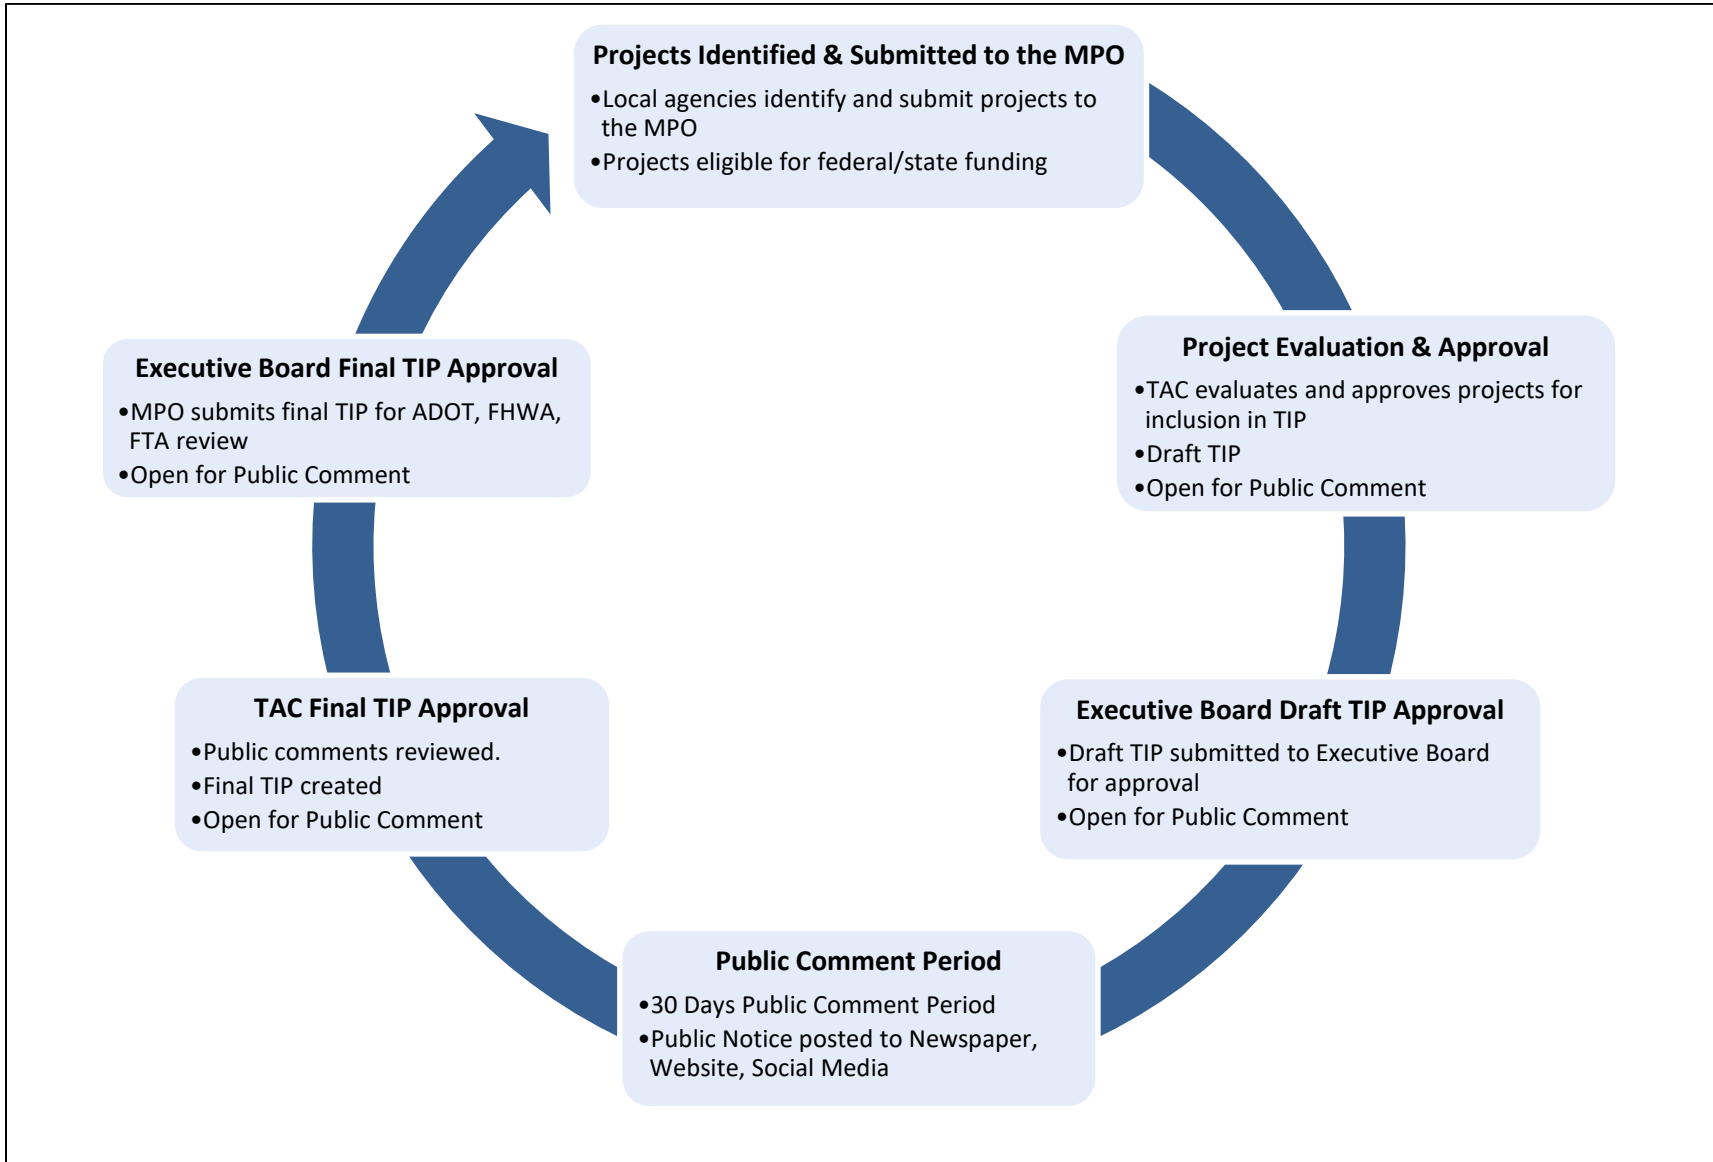

- Inclusive and meaningful public involvement.
- Open and honest communications with all individuals and entities.
- Timely public notice.
- Full public access to information and key decisions.
- Creating a sense of shared responsibility and ownership for regional transportation/congestion problems and a shared sense of pride in the development of solutions to those problems.
- Helping form partnerships between member entities, and the private and public sectors to plan and implement transportation/congestion solutions.
- Establishing policies and prioritizing needs based on valid data and using objective, fair and consistent processes.
- Providing information and gathering input so that decision makers will be able to make informed decisions.

TIP Public Involvement Process

The LHMPO will update the TIP on a regular basis and will strive to include as much public input as possible. Annually the TAC will submit projects for inclusion in the TIP. The review of the projects will occur by the TAC in a public meeting; and each project submitted must be fiscally constrained. The draft document will be available for public comment for not less than 30-days and will be available at the LHMPO Office and LHMPO web site. After the public comment period has ended the draft document will be presented to the TAC for approval and forwarded to the Executive Board for final approval. The Executive Board has the option of continuing with the approval process or move to a future date to allow for additional comments or discussion.

The LHMPO follows and adheres to the approved Title VI Plan and the Public Involvement Plan (PIP) to ensure the greatest amount of public participation is received during the TIP development process. The LHMPO public participation process for the TIP is being used to satisfy section 5307 Public Outreach requirement for Lake Havasu City Transit.

Figure 2: TIP Development and Public Involvement Process

III. FUNDING SOURCE AND BUDGET

The LHMPO is dependent on federal funding for the operation of the MPO and to perform planning activities used to deliver a variety of projects in the region. This section details the types of funding LHMPO receives as well as what the funding is utilized for.

Planning Funds (PL) and State Planning & Research Funds (SPR)

The Arizona Department of Transportation (ADOT) is the designated recipient of the **Federal-Aid Highway Funds** used for planning and research purposes. ADOT receives State Planning and Research (SPR) funds from **Federal Highways Administration (FHWA)** and utilizes some of these funds with planning agencies to conduct transportation planning activities. Planning Funds (PL) are apportioned to states on the basis of population in urbanized areas and relative to the amount of highway construction funds the state receives. SPR funds are discretionary and are typically administered by ADOT to carry out specific technical activities. In the LHMPO region SPR funds will be used to conduct transportation planning activities and administration of the program. SPR funds require a 20% local match and PL funds require a 5.7% local match. The below amounts reflect the annual apportionments of PL and SPR funds. See the Unified Planning Work Program (UPWP) for the exact operating budget for the LHMPO.

Total Estimated PL Funding Annually	\$167,116
Total Estimated SPR Funding Annually	\$125,000

Surface Transportation Block Grant Program Funds (STBGP)

STBGP is a federal-aid highway flexible funding program that funds a broad range of surface transportation capital needs including roads, transit, airport access, vanpool, and bicycle and pedestrian facilities. Transit related planning and research and development activities are also eligible for the use of STBGP funds. These funds require a 5.7% local match. The amount below reflects the annual apportionment of STBGP funds.

Total Estimated STBGP Funding Annually	\$312,048
--	-----------

Highway Safety Improvement Program Funds (HSIP)

HSIP funds are a federal funding source dedicated to safety improvements and are distributed within the State on a competitive basis. The main purpose of the HSIP funding is to achieve a reduction in fatalities and serious injuries on public roads. These funds require a 5.7% match which is typically provided through the use of in-kind / hard dollars by the MPO member agencies however, for some projects the match can be as low as 0%. Title 23 U.S.C. sections 120(c) and 130 address the local match waiver on HSIP funded projects. Section 120(c) allows certain types of highway safety improvement projects to be funded at 100 percent (i.e., traffic control signalization, traffic circles, safety rest areas, pavement marking, commuter carpooling and vanpooling, rail-

highway crossing closure, or installation of traffic signs, traffic lights, guardrails, impact attenuators, concrete barrier end treatments, breakaway utility poles, or priority control systems for emergency vehicles or transit vehicles at signalized intersections).

Total Estimated HSIP Funding Annually	\$ Competitive
---------------------------------------	----------------

Carbon Reduction Program Funding (CRP)

The CRP funding is a federal-aid highway funding program that funds projects designed to reduce transportation emissions, defined as carbon dioxide (CO2) emissions from on-road highway sources. These funds require a 20% local match. The amount below reflects the annual apportionment of CRP funds.

Total Estimated CRP Funding Annually	\$130,902
--------------------------------------	-----------

Transportation Alternatives Funding (TA)

The Transportation Alternatives (TA) Program is a state competitive grant program that provides funding for a variety of generally smaller-scale transportation projects such as pedestrian and bicycle facilities, construction of turnouts, overlooks and viewing areas, community improvements such as historic preservation and vegetation management, environmental mitigation related to storm water and habitat connectivity. These funds require a 5.7% local match.

Total Estimated TA Funding Annually	\$ Competitive
-------------------------------------	----------------

Federal Transit Administration Funding (FTA) – Section 5305d

FTA Section 5305d funding is utilized for MPO operations, salaries, and transit planning purposes in the LHMPPO region. The use of these funds is allowed for planning and technical studies related to transit. FTA provides funding to ADOT for the regional planning agencies with the State. These funds require a 5.7% local match. The amount below reflects the annual apportionment of FTA Section 5305d funding.

Total Estimated FTA Section 5305d Funding Annually	\$68,176
--	----------

Federal Transit Administration Funding (FTA) – Section 5304 & 5305e

The FTA Section 5304 & 5305e funding is provided to ADOT via FTA for transit planning. The funding became available with Federal Fiscal Year 2018 and is available on a competitive basis.

Total Estimated FTA Section 5305e Funding Annually	\$ Competitive
--	----------------

FTA Section 5307 – Urbanized Areas

The FTA Section 5307 funding is also filtered through the ADOT Multimodal Planning Division (MPD) - Transit Section. This program provides grants to urbanized areas (over 50,000 in population) for public transportation, capital, planning, job access, and reverse commute projects, as well as operation expenses in certain circumstances. These funds require a 20% local match for capital projects. The amount below reflects the annual apportionment of FTA Section 5307 funding.

Total Estimated FTA Section 5307 Funding Annually	\$521,665
---	-----------

Highway User Revenue Funds (HURF) Exchange Program

Annually, ADOT provides federal Surface Transportation Block Grant Program (STBGP) funding on a discretionary basis to Arizona Councils of Governments (COG) and Metropolitan Planning Organizations (MPO), which then program the funds for specific local projects in the applicable region. The use of federal funding also requires compliance with certain federal environmental, procurement and other regulations. These requirements typically result in longer project duration and higher costs than if the project were built with non-federal funds. The HURF Exchange program is targeted to cities / towns / counties with population of 200,000 or less. It enables local public agencies (LPAs) to build projects using state funding, avoiding expensive and time-consuming federal regulatory requirements. Because the HURF Exchange results in reduced costs and administrative burden for participating LPAs and transfers that burden to ADOT, the statute allows ADOT to pay \$.90 cents in State Highway Fund (SHF) for each \$1 of federal funding exchanged.

IV. TRANSIT

FTA Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities grant program:

ADOT refers to this program as the “Coordinated Mobility Program.” The Coordinated Mobility Program, FTA Section 5310, is a grant program that provides funding to assist with costs for mobility management activities, the purchase of capital equipment, and operations to meet the mobility needs of seniors (sixty-five years and over) and individuals with disabilities of any age. The goal of the Section 5310 Program is to improve mobility for seniors and individuals with disabilities by removing barriers to transportation services and expanding the transportation mobility options available.

The FTA Section 5310 funding is filtered through ADOT Transit Division to those not for profit and profit human service transit providers who qualify. To qualify for the funding, the organizations must be listed in the Western Arizona Council of Governments (WACOG) Human Service Transportation Coordination Plan prepared and provided by (WACOG). The funding amount available is provided by ADOT at the beginning of the grant cycle. Any awarded amounts will be included into the LHMPO TIP.

FTA 5307 Urbanized Public Transit:

The Urbanized Area Formula Funding program (49 U.S.C. 5307) makes federal resources available to urbanized areas and to governors for transit capital and operating assistance in urbanized areas and for transportation-related planning. An urbanized area is an incorporated area with a population of 50,000 or more that is designated as such by the U.S. Department of Commerce, Bureau of the Census.

Lake Havasu City Transit is the 5307 Public Transit provider in the LHMPO region. The LHMPO and Lake Havasu City Transit coordinate to share data, information, and to establish public transit related performance measures.

V. PERFORMANCE TARGETS

Moving Ahead for Progress in the 21st Century Act of 2012 (MAP-21), identified the following national transportation system goal areas:

- Safety
- Infrastructure Conditions
- Congestion Reduction
- System Reliability
- Freight Movement & Economic Vitality
- Environmental Sustainability
- Transit
- Greenhouse Gas (Pending Targets by ADOT/MPO)

State Departments of Transportation (DOT) are required to establish performance measures and targets for each goal area. MPOs are required to either support the State target for each performance measure that is applicable to their region or establish their own targets within 180 days of State target establishment.

Safety

On August 31, 2025, the Arizona Department of Transportation (ADOT) formally established Safety Performance Projections (Targets) for the state of Arizona for 2026. These Safety Projections (Targets) are based on the Safety Performance Measures established by the Federal Highway Administration's (FHWA) Safety Performance Management (Safety PM) final ruling and are based on five year rolling averages. The LHMPO Executive Board voted in 2018 to support and adopt the ADOT performance targets established in perpetuity or until the MPO should deem it necessary to establish and adopt our own targets.

Performance Measure	2026 Target
Number of Fatalities	1264.8
Rate of Fatalities per 100 million VMT	1.645
Number of Serious Injuries	3671.4
Rate of Serious Injuries per 100 million VMT	4.756
Number of Non-motorized Fatalities and Serious Injuries	862.8

The ADOT State Transportation Improvement Program (STIP) contains the following types of projects that support the achievement of the established safety performance targets:

- Installation of speed feedback signs including solar LED enhanced speed limit signs
- Design and construction of positive offset improvements including left-turn offsets
- Design and installation of traffic signals and adaptive signal controls
- Intersection improvements including right/left turn lanes and enhanced lighting
- Construction of roundabouts
- Construction of concrete barriers and raised medians
- Shoulder widening
- Installation of rumble strips, signs (including wrong way signs), striping and arrows
- Construction of a pedestrian bridge, sidewalks, crosswalks (including school zones), bike lanes and traffic calming features
- Distracted Driving Awareness
- Pedestrian Hybrid Beacons

Infrastructure Conditions

In 2022 ADOT established performance targets for the 2022-2025 performance period as required by the federal legislation Moving Ahead for Progress in the 21st Century Act of 2012 (MAP-21). On November 22, 2024, the Arizona Department of Transportation (ADOT) established revised pavement performance targets for 2025. The LHMPO Executive Board voted in 2018 to support and adopt the ADOT performance targets established in perpetuity or until the MPO should deem it necessary to establish and adopt our own targets. The pavement performance measures cover the Interstate and Non-Interstate NHS.

Performance Measure	2-Year Target	4-Year Target
Percent of National Highway System (NHS) Bridges Classified as in Good Condition based on deck area	52%	52%
Percent of NHS Bridges Classified in Poor Condition based on deck area	4%	4%
Percent of Interstate Pavements in Poor Condition	4.5%	4.5%
Percent of Non-Interstate NHS Pavements in Poor Condition	10%	10%
Percent of Interstate Pavements in Good Condition	44%	44%
Percent of Non-Interstate NHS Pavements in Good Condition	28%	28%

The ADOT State Transportation Improvement Program (STIP) contains the following types of projects that support the achievement of the established pavement performance measures:

- Pavement preservation including chip seals, fog coats, micro surface treatments and high friction surface treatments
- Pavement rehabilitation including mill and overlay projects.
- Pavement reconstruction
- Bridge preservation including scour retrofit, bridge rehabilitation, bridge deck rehabilitation, and bridge replacement and rehabilitation
- Bridge reconstruction including deck replacement, and replacement and widening.

Congestion Reduction

On August 30, 2023, the Arizona Department of Transportation (ADOT) established new performance targets for 2022-2025. The LHMPO Executive Board voted in 2018 to support and adopt the ADOT performance targets established in perpetuity or until the MPO should deem it necessary to establish and adopt our own targets.

The Congestion Mitigation and Air Quality (CMAQ) total emissions reductions requirement applies to nonattainment and maintenance areas for carbon monoxide (CO), ozone (O3) and particulate matter (PM). CMAQ requirements do not pertain to the LHMPO Region, however, the LHMPO is still committed to reducing congestion in the region.

System Reliability

On August 30, 2023, the Arizona Department of Transportation (ADOT) established new performance targets for 2022-2025. The LHMPO Executive Board voted in 2018 to support and adopt the ADOT performance targets established in perpetuity or until the MPO should deem it necessary to establish and adopt our own targets. NHS Travel Time Reliability identifies the percent of person-miles on the Interstate and the non-Interstate NHS that have reliable travel times.

Performance Measure	2-Year Target	4-Year Target
Interstate Travel Time Reliability (Percent of person-miles that have Reliable Travel Times on the Interstate)	81%	71%
Non-Interstate NHS Travel Time Reliability (Percent of person-miles that have Reliable Travel Times on the Non-Interstate NHS)	84%	77%

The ADOT State Transportation Improvement Program (STIP) contains the following types of projects that support the achievement of the established travel time reliability performance measures:

- Design and construction of a Freeway Management System including the installation of Intelligent Transportation Systems such as signals, adaptive ramp meters, connected and automated vehicle equipment, dynamic message signs, CCTV cameras, EVP networking, bike detection and improved signs
- Procurement of travel time data to aid in freeway management
- Roadway widening including the design or construction of general purpose and HOV lanes
- Traffic Incident support and Freeway Service Patrols
- Design and construction of roundabouts and new roadways
- Intersection improvements

Freight Movement and Economic Vitality

On August 30, 2023, the Arizona Department of Transportation (ADOT) established new performance targets for 2022-2025. The LHMPO Executive Board voted in 2018 to support and adopt the ADOT performance targets established in perpetuity or until the MPO should deem it necessary to establish and adopt our own targets. The freight reliability performance measure applies to Interstate freeways. This measure utilizes the Truck Travel Time Reliability Index, a planning time index that may be used to schedule trip travel times. The freight reliability targets are data-driven and realistic; and intended to keep ADOT focused on improving freight movement on the Interstate freeways.

Performance Measure	2-Year Target	4-Year Target
Freight Reliability on the Interstate (Truck Travel Time Reliability Index)	1.37	1.48

The ADOT State Transportation Improvement Program (STIP) contains the following types of projects that support the achievement of the established freight reliability performance measures:

- Design and construct a Freeway Management System including the installation of Intelligent Transportation Systems such as signals, adaptive ramp meters, connected and automated vehicle equipment, dynamic message signs, CCTV cameras, EVP networking, bike detection and improved signs
- Procurement of travel time data to aid in freeway management
- Roadway widening including the design or construction of general purpose and HOV lanes
- Traffic Incident support and Freeway Service Patrols
- Design and construction of roundabouts and new roadways
- Intersection improvements

Transit

On November 18, 2022, the Arizona Department of Transportation (ADOT) formally released their Transit Asset Management Group Plan for the State of Arizona which included updated performance measures and targets for FY22 through FY26, based upon the transit assets currently held by ADOT subrecipients. The LHMPO Executive Board voted in 2018 to support and adopt the ADOT performance targets established in perpetuity, however, Lake Havasu Transit forewent the ADOT targets and deemed it necessary to establish and adopt their own targets (in coordination with LHMPO).

Transit Asset Management Plan

The LHMPO region has one FTA 5307 transit provider agency (City of Lake Havasu) who is required to identify performance measures and targets. The LHMPO, ADOT, and regional providers of public transportation (City of Lake Havasu) signed a Performance Measure Target Setting and Data Sharing Charter, affirming the region’s commitment to a performance-based planning approach. The Transit Asset Management Plan for the region was developed by the City of Lake Havasu in collaboration with LHMPO and ADOT.

The city does not own the revenue nor support vehicles that will be used in this service. It is anticipated that service will be provided with large vans and small buses (9 to 14 passenger capacity). Performance targets and measures are therefore based upon service expectations.

Asset Class	Performance Measures	2025 Target
Rolling Stock <i>All Revenue Vehicles</i>	Percent of revenue vehicles that have met or exceeded their useful life benchmark	<20%
Equipment <i>Non-Revenue Vehicles</i> <i>Administrative Staff Vehicles</i>	Percent of service vehicles (non-revenue) that have met or exceeded their useful life benchmark	<20%
Facilities <i>All buildings or structures</i>	Percent of facilities rated below 3 on the FTA Transit Economic Requirements Model (TERM) Scale	<5%

Public Transportation Agency Safety Plan

The LHMPO region has one FTA 5307 transit provider agency (City of Lake Havasu) who is required to identify performance measures and targets. In March 2022, the LHMPO, ADOT, and regional providers of public transportation (City of Lake Havasu) signed a Performance Measure Target Setting and Data Sharing Charter, affirming the region’s commitment to a performance-based planning approach. The Public Transportation Agency Safety Plan for the region was developed by the City of Lake Havasu in collaboration with LHMPO and ADOT.

The City has set the following safety performance targets to meet the National Public Transportation Safety Plan. The performance goals for reportable fatalities, injuries and safety events are measured against total vehicle revenue miles per mode of transit service. Per the National Public Transportation

Plan, “Measuring the number of fatalities over vehicle revenue miles, by mode, provides a fatality rate from which to assess future performance”. The System Reliability performance measure is a measure of the mean /average distance between major mechanical failures by mode. Calculations will be based on May 1st to April 30th data.

Mode of Transit Service	Fatalities	Injuries	Safety Events	System Reliability
Demand Response	0	0	0	0

Greenhouse Gas Emissions Reduction

The FHWA established a Final Rule (effective January 9, 2024) for the methods of measurement and reporting of greenhouse gas emissions associated with transportation. LHMPO will continue to monitor and work with ADOT on establishing performance measures and implement planning strategies and projects which align with ADOT Greenhouse Gas Reduction Strategies.

Title VI Notice to the Public

LAKE HAVASU METROPOLITAN PLANNING ORGANIZATION'S TITLE VI NOTICE TO THE PUBLIC

The Lake Havasu Metropolitan Planning Organization (LHMPO) hereby gives public notice that it is the Agency's policy to assure full compliance with Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, and related statutes and regulations in all programs and activities. Title VI requires that no person shall, on the grounds of race, color, national origin, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any Federal Aid Highway program or other activity for which Lake Havasu MPO receives Federal financial assistance.

Any person who believes his/her Title VI protection has been violated may file a complaint. Any such complaint must be in writing and filed with the Lake Havasu MPO, Title VI Coordinator, within one hundred eighty (180) days following the date of the alleged discriminatory occurrence. Title VI Discrimination Complaint Forms may be obtained from the Lake Havasu MPO Office.

Public Outreach

- Early, often and continuous
- Provide opportunities for public to get involved in proposed transportation decisions
- Promote inclusive public participation, including individuals with language needs

Public Involvement Tips

- Select accessible meeting times, and locations
- Utilize social media (e.g., Facebook, YouTube) to complement (*not replace*) other involvement techniques
- Use non-traditional methods (e.g., Virtual Town-Halls (Zoom), street fairs, faith based institutions, etc.)

Individuals with Language needs-Related Requirements of Title VI

- Title VI and its implementing regulations require that recipients take *responsible* steps to ensure *meaningful access* to the benefits, services, information, and other important portions of their programs and activities for individuals who have Language needs.

How are plans typically implemented?

Popular Strategies:

- Publishing materials in languages other than English (e.g. Spanish)
- Multi-language public outreach materials (Newspaper, Website, Social Media, Surveys, etc.)
- Pictograms
- Multi-language announcements at reception areas
- Language identification using “I Speak” cards

General Requirements Summary Points

- Title VI program must include:
 - Policy Statement
 - Signed Title VI Assurances
 - Organization and Staffing
 - Program Area Review Procedures
 - Data Collection
 - **Training**
 - Complaint Procedures
 - Distribution of Title VI Information
 - Public Participation Plan

Non-Compliance with Title VI

- Withholding of payments to the recipient under the contract until the recipient complies, and/or
- Cancellation, termination or suspension of the contract, in whole or in part

FY 2027 Title VI Plan & FY 2026 Title VI Annual Report

SUMMARY/BACKGROUND:

Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act (ADA), and other nondiscrimination laws and authorities, prohibits discrimination on the basis of race, color, national origin, sex, age, or disability. ADOT, FHWA, and FTA require a Title VI-Nondiscrimination Plan from each recipient of federal transportation funding within the state of Arizona. The Lake Havasu MPO Title VI Plan ensures fair treatment and meaningful involvement of all people during the planning, development, evaluation, and implementation of Federal-aid programs and activities.

In addition, ADOT also requires an annual report indicating the current year's public involvement, modifications made to the Title VI Plan, and the upcoming year's goals.

The following is a brief description of Title VI activities during the fiscal year 2026:

1. Lake Havasu MPO did not receive any Title VI complaints during FY 2026.
2. The annual Title VI Plan has been updated, FY 2027 updates are located in Exhibit E at the back of the Plan.
3. The FY 2026 Annual Title VI Report is complete and attached to this memorandum.
4. The LHMPO will submit the FY27 Title VI plan and FY26 annual report to ADOT by the August 1, 2026 deadline.

The FY 2027 Title VI Plan has been updated as requested by ADOT External Civil Rights Office and requires approval by the LHMPO TAC and Board.

1. Introduction

The **Lake Havasu Metropolitan Planning Organization (LHMPO)** hereby agrees that as a condition to receiving any Federal financial assistance provided by the U.S. Department of Transportation it will comply with Title VI of the Civil Rights Act of 1964, as amended, 78 Stat. 252, 42 U.S.C. 2000d-42 U.S.C. 2000d-4 (hereinafter referred to as the Act), the Civil Rights Restoration Act of 1987 (Public Law 100.259) and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the U.S. Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the Regulations) and other pertinent directives, to the end that in accordance with the Act, Regulations, and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Transit Administration (FTA), Federal Highway Administration (FHWA) and **HEREBY GIVES ASSURANCE THAT** it will promptly take any measures necessary to effectuate this agreement. This assurance is required by subsection 21.7(a)(1) of the Regulations. The SUBRECIPIENT shall also incorporate and comply with the terms and conditions established in Appendix A & E.

2. Title VI and Americans with Disabilities (ADA) Nondiscrimination Policy Statement

The Lake Havasu MPO is committed to ensuring that no person is discriminated against on the grounds of race, color, national origin, or disability as provided by Title VI of the Civil Rights Act of 1964, The Civil Rights Restoration Act of 1987, Federal-Aid Highway Act of 1973, Section 504 of the Rehabilitation Act of 1973, Americans with Disabilities Act of 1990 (ADA), Executive Order 13166 (Limited Proficiency), Code of Federal Regulations 49 Part 21, Code of Federal Regulations 23 part 200, and Code of Federal Regulations Part 303. The Lake Havasu MPO strives to ensure nondiscrimination in all of its programs and activities, whether those programs and activities are federally funded or not. As a subrecipient of federal funding, the Lake Havasu MPO is responsible for initiating and monitoring Title VI activities, preparing required reports, technical assistance and training. The Lake Havasu MPO's contractors/consultants must also comply with this policy.

3. Title VI Assurances

The **Lake Havasu Metropolitan Planning Organization** (herein referred to as the "Recipient"), HEREBY AGREES THAT, as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation (DOT), through *Federal Highway Administration and Arizona Department of Transportation*, is subject to and will comply with the following:

Statutory/Regulatory Authorities

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 C.F.R. Part 21 (entitled *Non-discrimination In Federally-Assisted Programs Of The Department Of Transportation--Effectuation Of Title VI Of The Civil Rights Act Of 1964*);
- 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964)

The preceding statutory and regulatory cites hereinafter are referred to as the "Acts" and "Regulations," respectively.

General Assurances

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda and/or guidance, the Recipient hereby gives assurances that it will promptly take any measures necessary to ensure that:

"No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity, for which the Recipient receives Federal financial assistance from DOT, including the Federal Highway Administration.

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally assisted.

Specific Assurances

More specifically, and without limiting the above general Assurance, the Recipient agrees with and gives the following Assurances with respect to its *Federal Aid Highway Program*.

1. The Recipient agrees that each "activity," "facility," or "program," as defined in §§ 21.23 (b) and 21.23 (e) of 49 C.F.R. § 21 will be (with regard to an "activity") facilitated, or will be (with regard to a "facility") operated, or will be (with regard to a "program") conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.
2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with all *Federal Aid*

Highway Program and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

*"The **Lake Havasu Metropolitan Planning Organization**, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252.42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award."*

3. The Recipient will insert the clauses of Appendix A and E in every contract or agreement subject to the Acts and the Regulations.
4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.
5. That where the Recipient receives Federal financial assistance to a construct a facility or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.
6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.
7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
 - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project or program.
8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:
 - a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
 - b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal

financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.

10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, **Lake Havasu Metropolitan Planning Organization** also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing *Federal Highway Administration* or *Arizona Department of Transportation* access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by the *Federal Highway Administration* or *Arizona Department of Transportation*. You must keep records, reports, and submit the material for review upon request to *Federal Highway Administration*, *Arizona Department of Transportation*, or its designee in timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

Lake Havasu Metropolitan Planning Organization gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the U.S. Department of Transportation under the *Federal Highway Administration* and *Arizona Department of Transportation*. This ASSURANCE is binding on Arizona, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors', transferees, successors in interest, and any other participants in the *Federal Aid Highway Program*. The person(s) signing below is authorized to sign this ASSURANCE on behalf of the Recipient.

APPENDIX A

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the Acts and the Regulations relative to Non-discrimination in Federally-assisted programs of the U.S. Department of Transportation, *Federal Highway Administration or the Arizona Department of Transportation*, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. **Non-discrimination:** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.
3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, or national origin.
4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient, the *Federal Highway Administration or Arizona Department of Transportation* to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the Recipient, the *Federal Highway Administration, or Arizona Department of Transportation*, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the *Federal Highway Administration or Arizona Department of Transportation*, may determine to be appropriate, including, but not limited to:
 - a. withholding payments to the contractor under the contract until the contractor complies; and/or
 - b. cancelling, terminating, or suspending a contract, in whole or in part.
6. **Incorporation of Provisions:** The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the Recipient, the *Federal Highway Administration, or Arizona Department of Transportation* may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the Recipient to enter into any litigation to protect the interests of the Recipient. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

APPENDIX B

CLAUSES FOR DEEDS TRANSFERRING UNITED STATES PROPERTY

The following clauses will be included in deeds effecting or recording the transfer of real property, structures, or improvements thereon, or granting interest therein from the United States pursuant to the provisions of Assurance 4:

NOW, THEREFORE, the U.S. Department of Transportation as authorized by law and upon the condition that **Lake Havasu Metropolitan Planning Organization** will accept title to the lands and maintain the project constructed thereon in accordance with *Title 23*, United States Code the Regulations for the Administration of *Federal Aid for Highways*, and the policies and procedures prescribed by the *Arizona Department of Transportation, Federal Highway Administration* and the U.S. Department of Transportation in accordance and in compliance with all requirements imposed by Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the U.S. Department of Transportation pertaining to and effectuating the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252;42 42 U.S.C. § 2000d to 2000d-4), does hereby remise, release, quitclaim and convey unto the **Lake Havasu Metropolitan Planning Organization** all the right, title and interest of the U.S. Department of Transportation in and to said lands described in Exhibit A attached hereto and made a part hereof.

(HABENDUM CLAUSE)

TO HAVE AND TO HOLD said lands and interests therein unto **Lake Havasu Metropolitan Planning Organization** and its successors forever, subject, however, to the covenants, conditions, restrictions and reservations herein contained as follows, which will remain in effect for the period during which the real property or structures are used for a purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits and will be binding on the **Lake Havasu Metropolitan Planning Organization**, its successors and assigns.

APPENDIX E

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

Pertinent Non-Discrimination Authorities:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*, 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21.
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 *et seq.*), (prohibits discrimination on the basis of sex);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq.*), as amended, (prohibits discrimination on the basis of disability); and 49 CFR Part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq.*), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131-12189) as implemented by Department of Transportation regulations at 49 C.F.R. parts 37 and 38;
- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 *et seq.*).

4. Data Collection & Analysis

The Lake Havasu MPO is required by federal regulations to collect statistical data on the race, color, and national origin of participants in its programs. Data is collected from the U.S. Census Bureau, Executive Board and Technical Advisory Committee meetings, public meetings, planning study surveys, and procurement contracts. Data collection efforts specific to each program area are described on an annual basis in the Lake Havasu MPO Title VI Implementation Plan. Annually, the data collection findings from each program area are reported in the Lake Havasu MPO Goals and Accomplishment Report. The data will be maintained for the purpose of planning projects and programs. Demographic Maps can be viewed as an attachment (Exhibit “D”) of this document.

LHMPO will record data reflecting the extent to which members of Title VI Protected classes participate in planning activities and any significant issues raised by those participants. As a regional planning agency, LHMPO’s planning activities benefit all populations equally, including Title VI protected populations. LHMPO will attempt to identify opportunities to gather data reflecting the extent to which members of Title VI protected populations benefit LHMPO’s planning activities.

Executive Board & Technical Advisory Committee Meetings – Self-Identification Surveys in both English and Spanish are made available at each Executive Board and Technical Advisory Committee meeting. The data collected from these surveys allows for the analysis to ensure that all people have an equal opportunity to benefit from or have access to the activities of the MPO and to avoid any disproportionate impacts from those activities.

Public Meetings - Self-Identification Surveys in both English and Spanish are made available at each public meeting. Public involvement materials including meeting notices, project fact sheets and/or flyers and other documents are made available in both English and Spanish to ensure individual with language needs requirements are being met. The data collected from the surveys allows for the analysis to determine if Title VI neighborhoods are receiving equal benefit and not a disproportionate burden.

Planning Studies – As part of the public outreach process, surveys are made available to the public either on-line and/or in hard copy to collect a variety of data for planning studies. Statistical data such as race, color, and national origin are captured during these surveys. The data collected from these surveys allows for the analysis to determine if Title VI neighborhoods are receiving equal benefit and not a disproportionate burden. The Individual with language needs Four Factor Analyses is conducted on the planning study area to determine if study documents need to be provided in both English and Spanish.

Procurement – In addition to submitting all planning projects to ADOT MPD & CRO to obtain a DBE Goal Assessment; The Lake Havasu MPO has created a demographics request form to capture Title VI and demographics information on all contractors and or subcontractors that provide professional services on behalf of the Lake Havasu MPO. The newly created form will be inserted into all formal solicitations or request for quote packages. The data collected from this form allows for the analysis of our contractors and subcontractors in regard to Title VI and or Disadvantaged Business Enterprises.

Virtual Meetings – In order to meet compliance, a link to the Title VI public notice and a link to Self-Identification Surveys (English and Spanish) has been added to all meeting agendas and posted in the chat box of the virtual meeting space (e.g. Zoom, Teams, WebEx, etc.).

5. Complaint Process

Any person who believes that he or she, either individually, as a member of any specific class of persons, or in connection with any minority contractor, has been subjected to discrimination prohibited by Title VI of Civil Rights Act of 1964 and the Civil Rights Restoration Act of 1987 as they related to any Federal Highway Administration (FHWA) or Federal Transit Administration (FTA) funded program or activity administered by LHMPO, its sub-recipients, consultants, and contractors may file a complaint. The complaint must be (a) unequal treatment because of race, color, or national origin or (b) noncompliance with Title VI rules or guidelines adopted thereunder. The complaint form in both English and Spanish can be found at the LHMPO website under the Title VI section at www.lhmpo.org or Exhibit B of this document.

Complaints Filed Against LHMPO

- No complaints have been filed to date

The required procedures for FHWA and FTA Title VI / ADA Non-discrimination Complaints filed against LHMPO are listed below:

FHWA Title VI Complaint Procedures

These procedures apply to all complaints filed under Title VI of the Civil Rights Act of 1964, and the Civil Rights Restoration Act of 1987 as they relate to any FHWA program or activity administered by the Lake Havasu MPO, its sub recipients, consultants and contractors. In addition to these procedures, complainants reserve the right to file formal complaints with other state or federal agencies or take legal action for complaints alleging discrimination.

Required procedures for FHWA Title VI Complaints filed against the Lake Havasu MPO, the Lake Havasu MPO's subrecipients, contractors or consultants:

1. Any person, specific class of persons or entity that believes they have been subjected to discrimination on an FHWA-related activity or program as prohibited by the legal provisions of Title VI on the basis of race, color, national origin, can file a formal complaint with the Lake Havasu MPO. A copy of the Complaint Form may be accessed electronically at: <http://www.lhmpo.org>
2. The complaint must be filed within 180 days of the alleged discrimination and include the date the alleged discrimination became known to the complainant or the last date of the incident.
3. Complaints should be in writing, signed, and may be filed by mail, fax, in person, or e-mail. However, the complainant may call the Lake Havasu MPO and provide the allegations by telephone for transcription. Once transcribed the Lake Havasu MPO will send a written complaint to the complainant for correction and signature.
4. A complaint should contain at least the following information:
 - a. A written explanation of what has happened.
 - b. A way to contact the complainant;
 - c. The basis of the complaint (e.g., race, color, national origin);
 - d. The identification of a specific person/people and the respondent (e.g., Lake Havasu MPO/organization) alleged to have discriminated;

- e. Sufficient information to understand the facts that led the complainant to believe that discrimination occurred in a program or activity that receives Federal Highway Administration financial assistance; and is a consultant, contractor or subrecipient of the Lake Havasu MPO and
 - f. The date(s) of the alleged discriminatory act(s).
5. Upon receipt of a completed complaint, the Lake Havasu MPO will forward all FHWA Title VI complaints to Arizona Department of Transportation (ADOT) External Civil Rights (ECR) within 72 hours.
 6. ADOT CRO will forward all FHWA Title VI complaints to the FHWA Division Office.
 7. All Title VI complaints received by the FHWA Division Office will be forwarded to the FHWA Office of Civil Rights for processing and potential investigation.
 8. If the FHWA Office of Civil Rights determines a Title VI complaint against a subrecipient can be investigated by ADOT CRO, the FHWA Office of Civil Rights may delegate the task of investigating the complaint to ADOT CRO. ADOT CRO will conduct the investigation and forward the Report of Investigation to the FHWA Office of Civil Rights for review and final disposition.
 9. The disposition of all Title VI complaints will be undertaken by the FHWA Office of Civil Rights, through either (1) informal resolution or (2) issuance of a Letter of Finding of compliance or noncompliance with Title VI. A copy of the Letter of Finding will be sent to the FHWA Division Office.
 10. The complainant may also file a discrimination-related complaint on an FHWA program or activity directly with ADOT or with the Federal Highway Administration by contacting the agencies at:

6. Individuals with Language Needs Plan

The LHMPO will be innovative and proactive in engaging individuals from different cultures, backgrounds and businesses throughout its program and activities. An Individual with language needs is an individual who does not speak English as their primary language and who has a limited ability to read, speak, write, or understand English. LHMPO’s Individuals with Language needs Plan is designed to comply with Title VI requirements.

Authorities:

The following matrix illustrates the authorities that require LHMPO to provide individuals with language needs with meaningful access to programs, activities, and services.

Title VI of the Civil Rights Act of 1964

- Federal law
- Enacted July 2, 1964
- Considers all persons
- Contains monitoring and oversight compliance review requirements
- Factor criteria is required, no numerical or percentage thresholds
- Provides protection based on race, color, and national origin.
- Focuses on eliminating discrimination in federally funded programs.
- Annual accomplishments and upcoming goals report to FHWA

Program Responsibility:

Notify individuals with language needs customers of the availability of language assistance services

Individuals with language needs have the right to language assistance at no cost to them in their spoken language. Language identification cards or posting signs in public areas are methods that can be used to provide notice of the service.

Translation of vital documents in languages other than English

It is appropriate to have written materials that have been historically provided in English to applicants, customers and the public translated into languages that are regularly encountered. The translation of

vital documents into languages other than English is particularly important where a significant number or percentage of the customers served and/or eligible to be served have limited English proficiency. Written materials include electronic documents and web-sites. "LHMPO" with indicate on its web site and newspaper publications that translation can be provided, with appropriate notice.

Vital Documents are documents that convey information that critically affects the ability of the recipient/customer to make decisions about his/or her participation in the program or activity. Classification of a document as "vital," depends upon the importance of the program, information, encounter, or service involved, and/or the consequence to the individuals with language needs community if the information in question is not provided in an accurate or timely manner. Examples of vital documents include, but are not limited to applications, public notices, consent forms, letters containing important information regarding participation in a program, eligibility rules, notices pertaining to the reduction, denial or termination of services or benefits, right to appeal, notices advising of the availability of language assistance and outreach and community education materials. The determination of what documents are considered "vital" is left to the discretion of individual components, which are in the best position to evaluate their circumstances, services, and resources.

Translating documents for individuals with language needs to a fourth (4th) grade literacy level ensures the targeted audience understands the information. Community based organizations or focus groups can assist with testing translations for language and literacy level appropriateness.

Section Five of the US Department of Transportation guidance on individuals with language needs requires a four-factor analysis has to be conducted on a project-to-project basis to determine the need for translation services in order to ensure individuals with language needs populations are able to receive information about and can participate in the planning process in the language they best understand.

1. **Factor 1 Demography** – The number and proportion of individuals with language needs served or encountered in the eligible service population:
According to the 2020 U.S. Census, and 2019-2023, American Community Survey five-year estimates, 2.3% of the Lake Havasu MPO area population is considered to be individuals with language needs. This equates to 1,337 individuals or 2.3% of the population five years of age or older who report speaking English less than "very well". The predominate language spoken by these individuals is Spanish. Under the Department of Justice's (DOJ) Safe Harbor provision, it is necessary to translate materials when five percent or 1,000 persons, whichever is less, speak English less than "very well".

Table 1 – LHMPO Region Language Demographics

2019-2023 Estimates		
Persons with Individual with language needs <i>U.S. Census Bureau, 2019-2023 American Community Survey (ACS) 5-year estimates</i>	Estimate	% of Persons 5 Yrs. & Over
Total Persons 5 years & Over	59,315	%
English Speaking Only	54,620	92.1%
Speak Other Languages	4,695	7.9%
Speak English “Very Well”	3,534	%
Persons with Individual with language needs	1,161	%
Speak English “Well”	583	%
Speak English “Not Well”	460	%
Speak English “Not at All”	118	%

*Source: U.S. Census Bureau, 2019-2023 American Community Survey (ACS) 5-year estimates
ACS data are based on a sample and are subject to sampling variability
individual with language needs persons refers to persons age 5 years and over for who English is not their primary language and who have a limited ability to read, write, speak, or understand English. It includes people who reported to the Census they speak English less than very well, not well, or not at all.*

2. **Factor 2 Frequency** – The frequency in which individuals with language needs encounter LHMPO:
Some government offices provide materials in English and Spanish but, because the general public encounters “LHMPO” on an infrequent basis, only public notices and certain vital materials are available in both English and Spanish.
3. **Factor 3 Importance** – The importance of Services Provided by LHMPO programs:
Transportation planning is an important factor of the community and affects all residents. All residents are encouraged to participate in public meetings.
4. **Factor 4 Resources** – Available resources, including language assistance services varying from limited to wide ranging with varying costs:
Due to limited resources and small staff, interpretation and translation services are not available without advance notice; however, public notices are available in English and Spanish.

Based on the four—factor analysis, Lake Havasu MPO will continue to provide public notices in English and Spanish. Translation and interpretation services will be provided through public online translation sites, bilingual community members and, if not cost prohibit and funds permit, through a language interpretation and translation service. The goal of the “LHMPO” is to engage all community members in the planning process.

PROCEDURES:

1. IDENTIFYING INDIVIDUALS WITH LANGUAGE NEEDS AND THEIR LANGUAGE

The Lake Havasu MPO will promptly identify the language and communication needs of the individuals with language needs. If necessary, staff will use a language identification card (or “I

speak cards,") or posters to determine the language. In addition, when records are kept of past interactions with residents, the language used to communicate with the individuals with language needs will be included as part of the record.

2. OBTAINING A QUALIFIED INTEPRETER

The Title VI Coordinator for the Lake Havasu MPO is responsible for:

- (a) Maintaining an accurate and current list showing the name, language, phone number and hours of availability of bilingual staff (the City of Lake Havasu's list will be utilized for this purpose);
- (b) Contacting the appropriate bilingual staff member to interpret, in the event that an interpreter is needed, if an employee who speaks the needed language is available and is qualified to interpret.
- (c) Obtaining an outside interpreter if a bilingual staff or staff interpreter is not available or does not speak the needed language.

The City of Lake Havasu has agreed to provide qualified interpreter service lists. The contact for providing services is; HR Director, 928-854-0763, and the hours of availability are 8:00 AM to 5:00 PM (business hours), Monday through Friday, or upon 24-hour notice.

Some individuals with language needs may prefer or request to use a family member or friend as an interpreter. However, family members or friends of the individuals with language needs will not be used as interpreters unless specifically requested by that individual and after the individuals with language needs has understood that an offer of an interpreter at no charge to the person has been made by the Lake Havasu City MPO. If individuals with language needs choose to use a family member or friend as an interpreter, issues of competency of interpretation, confidentiality, privacy, and conflict of interest will be considered. If the family member or friend is not appropriate for any of these reasons, competent interpreter services will be provided to the individuals with language needs.

Children and other residents will not be used to interpreting, to ensure confidentiality of information and accurate communication.

3. PROVIDING WRITTEN TRANSLATIONS

- (a) When translation of vital documents is required the Lake Havasu City MPO will submit documents for translation into frequently encountered languages to either the City of Lake Havasu, or a professional translator.
- (b) The Lake Havasu City MPO will provide translation of other written materials, if needed, as well as written notice of the availability of translation, free of charge, for individuals with language needs.
- (c) The Lake Havasu City MPO will set benchmarks for the translation of vital documents into additional languages over time.

4. PROVIDING NOTICE TO INDIVIDUALS WITH LANGUAGE NEEDS.

The Lake Havasu City MPO will inform individuals with language needs of the availability of language assistance, free of charge, by providing written notice in individuals with language needs will understand.

5. MONITORING LANGUAGE NEEDS AND IMPLEMENTATION

On an ongoing basis, the Lake Havasu City MPO will assess changes in demographics, types of services or other needs that may require reevaluation of this policy and its procedures. In addition, The Lake Havasu City MPO will regularly assess the efficacy of these procedures, including but not limited to mechanisms for securing interpreter services, equipment used for the delivery of language assistance, complaints filed by individuals with language needs, feedback from member entities and community organizations, etc.

LHMPO understands that language needs will change as the population changes. Further LHMPO will comply with requirement to assess its programs and services each year to determine compliance with various nondiscrimination regulations. As such LHMPO will revisit the individuals with language needs plan each year and make appropriate changes, as needed. For questions or concerns regarding the LHMPO's commitment to nondiscrimination or to request additional information about individuals with language needs services, contact:

Demographic data obtained by LHMPO Staff from the US Census Bureau, MAG.gov, and collected during public meetings will be analyzed by LHMPO Staff and used to ensure everyone is considered in the planning process.

8. Public Participation Process

The Lake Havasu Metropolitan Planning Organization recognizes the increasing importance of involving the public as they plan, organize and implement transportation projects. Engaging interested parties generally results in a more effective project overall. Taking time at the beginning to communicate with potentially affected interests, carefully explaining the proposal, and gathering input, can enhance the project and theoretically reduce the time and effort for implementation.

The goals of the “LHMPO” public involvement plan are to ensure that:

- Residents are given the opportunity to participate in the transportation planning process.
- The issues and concerns of residents are given consideration in the selection of transportation investments.
- Transportation investments do not disproportionately burden any population with adverse impacts.

The Lake Havasu Metropolitan Planning Organization operates under a comprehensive Public Involvement Plan (PIP). The Plan explains the agency goals for public participation, governing structure, and composition of boards, procedures for board meetings, program areas, interagency coordination, and specific procedures for public participation in the planning process, public engagement and notification methods. The full plan is available at www.LHMPO.org

The PIP contains background material, guidelines, and commitments that “LHMPO” is undertaking to incorporate an effective public process into future plans, projects, and programs. Specifically, “LHMPO” is committed to:

- Inclusive and meaningful public involvement.
- Open and honest communications with all individuals and entities.
- Timely public notice.
- Full public access to information and key decisions.
- Creating a sense of shared responsibility and ownership for regional transportation/congestion problems and a shared sense of pride in the development of solutions to those problems.
- Helping form partnerships between member entities, and the private and public sectors to plan and implement transportation/congestion solutions.
- Establishing policies and prioritizing needs based on valid data and using objective, fair and consistent processes.
- Providing information and gathering input so that decision makers will be able to make informed decisions.

The LHMPO has a developed an Individuals with language needs plan which is incorporated in section 7 of this document.

Greater attention and effort has been given to outreach for minorities and low-income populations. Notices for community outreach have been posted at places where these populations may frequent such as the library, adult center, coffee shops, post offices, government buildings, and in the newspaper.

Public Meetings

LHMPO's Executive Board meets the 2nd Tuesday of every other month. Their Technical Advisory Committee meets on the 4th Tuesday of every other month. The Annual Meeting Schedules are posted on the LHMPO website: www.LHMPO.org. Agendas for each meeting are posted at LHMPO's office, 900 London Bridge Road, Building B, Lake Havasu City, AZ 86404. LHMPO website a minimum of 48 hours in advance of each meeting. Executive Board Agendas are also posted at the Lake Havasu Police Department 2360 McCulloch Blvd. N. Lake Havasu City, AZ 86403.

The following statement is conveyed on each Meeting Schedule as well as on each agenda, *"Pursuant to Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act (ADA), and other nondiscrimination laws and authorities, LHMPO does not discriminate on the basis of race, color, national origin, sex, age, or disability. Persons that require a reasonable accommodation based on language or disability should contact LHMPO's Title VI Coordinator at LojewskiS@lhcaz.gov; or by phone (928) 453-2823. Requests should be made as early as possible to ensure LHMPO has an opportunity to address the accommodation."* To date, no request has been made.

Public participation is promoted at each meeting, and our agendas give an opportunity to call upon the public to make comments on any unrelated agenda topic as well as during discussion on an agenda topic.

In the event of cancellation, notice will be posted on web site a minimum of 48 hours in advance as well as email notification sent to regular meeting participants.

In an effort to keep the Title VI Plan a reasonable size, the section of the PPP specifically relevant to Title VI is included below.

Excerpts from the Public Involvement Plan

The goals of this Public Involvement Plan are to ensure that:

- The public body is given the opportunity to participate in the transportation planning process.
- The issues and concerns of residents are given consideration in the selection of transportation investments.
- Transportation investments do not disproportionately burden any population with adverse impacts.

Public participation implies an open process. This means that anyone who is potentially affected, or is just interested in the process, is welcome to participate. Some of the reasons for encouraging this openness are:

- Project leaders may gain new information.
- Participants who want a project to be completed can provide additional resources in the form of assistance, goods, or services.

- Public participation can be a forum for dispute resolution.
- Progress can be made, and implementation occurs because:
 - The project itself will be better designed with public input.
 - The community better understands what the project is about.
- Input can be a warning mechanism for potential problems.
- Participant comments help the project leaders understand areas where additional people may have concerns or misunderstandings. This can be used to provide better information to others who are not participating.

This plan outlines the importance of, and specific guidelines for, involving community members, organizations, governments, transportation professionals and others in ongoing and future LHMPO projects, plans and programs. Included is information about the value of public Participation, how it will be accomplished, and what will be done with the results.

This plan contains background material, guidelines, and commitments that LHMPO is undertaking to incorporate an effective public process into future plans, projects, and programs. Specifically, LHMPO is committed to:

- Inclusive and meaningful public involvement.
- Open and honest communications with all individuals and entities.
- Timely public notice.
- Full public access to information and key decisions.
- Creating a sense of shared responsibility and ownership for regional transportation/congestion problems and a shared sense of pride in the development of solutions to those problems.
- Helping form partnerships between member entities, and the private and public sectors to plan and implement transportation/congestion solutions.
- Establishing policies and prioritizing needs based on valid data and using objective, fair and consistent processes.
- Providing information and gathering input so that decision makers will be able to make informed decisions.

Guidelines

Techniques:

There are numerous and varied techniques/activities to provide the opportunity for public participation. Outreach examples include Social Media, Local/Regional Newspapers, In-Person Town Halls, Virtual Town Halls, Senior Centers, Libraries, Farmers Markets, Churches, Telephone, Websites (LHMPO, City, & Interested Stakeholders). Any combination and number of these may be used depending on the specific plan, program or project. LHMPO will select from the various activities to provide the most effective public participation in each particular situation. Outreach Techniques/Activities will be chosen based on an analysis of the Demographics, Disability and other Social and Economic data. LHMPO will utilize multiple approaches to public outreach and participation.

Welcoming Attitude:

Public participation is welcomed and encouraged by LHMPO. All questions and statements are valuable and will be treated as such. Participants will be treated with respect. Meetings will abide by basic ground rules that enforce civil discussion. Anyone who feels that these rules have not been followed should contact LHMPO staff at (928) 453-2823.

Meeting Schedules and Locations:

Meetings and hearings, which are open to public involvement, will be scheduled to provide the best opportunity for attendance by the general public and other entities. The meeting locations will be convenient and ADA accessible.

In addition to general meetings, events and activities, reasonable special efforts will be made to reach those who are particularly affected, the underserved or others who request LHMPO to come to them. These options are open to any group or individual and it is the policy of LHMPO to “go where people are” whenever possible. Locations and meeting times for these activities will be designed according to specific needs.

Virtual public involvement is a new opportunity for information sharing and public involvement in the transportation planning, programming, and project development process. These new opportunities include, but are not limited to techniques, such as telephone town halls and online meetings, pop-up outreach, social meetings/ meeting-in-a box kits, story maps, quick videos, crowdsourcing, survey tools, real-time polling tools, social media following, and visualization. Virtual public involvement methods will be used along with traditional methods to increase opportunities and access to LHMPO planning activities. All virtual meetings will have a call-in option for those that may have limited or no access to the internet. In lieu of a physical posting of the Title VI notice to the public, and in order to meet compliance, the LHMPO reads aloud the Title VI notice at the beginning of each virtual public meeting/event. In addition, a link to the Title VI public notice and a link to Self-Identification Surveys (English and Spanish) has been added to all meeting agendas and posted in the chat box of the virtual meeting space (e.g. Zoom, Teams, WebEx, etc.).

Notification:

Notices will follow the general Open Meeting Law of the State of Arizona. Information about meetings, events and other opportunities for participation will be made in a timely manner. (This is especially important for the physically and mentally challenged as extra time may be needed to arrange for accommodations to meet their needs.) This notification will be easy to understand and provide adequate information or explain where the information can be obtained.

Presentation of Information:

In order to help citizens better understand Transportation Planning, efforts will be made to show how presented information specifically relates to the public in both the near future as well as long term. Visualization enhancements such as color, animation, physical props, pictures, 3-D models, etc. will be incorporated as appropriate and as budgets allow.

Written and Personal Communications from LHMPO:

Technical and policy information from LHMPO will be written so that it is clear and understandable to the public. All relevant information will be open for public consideration. Knowledgeable people will be available to answer questions at meetings and respond to phone questions in a timely manner.

Ongoing Communications:

LHMPO will use mailings, media and electronic technology such as e-mail and web sites to have ongoing communication with the public and other entities. Members of the staff are also available via the phone for questions, concerns and suggestions.

Other Entities:

The needs and interests of other public and governmental entities will be solicited as appropriate. Coordination, cooperation and teamwork among all the agencies are vital to the success of any plan, program or project.

Transportation Interests:

LHMPO will solicit input from transportation-related groups such as freight interests, City transportation providers, private providers of transportation, chambers of commerce, and others.

Opportunities for Input:

Opportunities for input will vary depending on the project, program or plan. For larger projects, such as the 25-year Regional Transportation Plans, there could be several rounds of public participation. There would be the opportunity for initial comments on what projects citizens would like their transportation system to include, prior to the start of any work. Comments on the first draft would be collected and incorporated as appropriate in the final draft. Finally, if there were significant changes to the final draft, there could be another call for input. In each of these stages a variety of techniques would be used to involve all the stakeholders. This will be determined by the extent and nature of the project.

Use of Public Comments:

A complete record of public comments will be retained for public review. In specific cases, identified by federal regulations, the public comments could be a part of the final document, as is the case with the Regional Transportation Plans and the Transportation Improvement Program. Additionally, individual questions will receive a response in a timely manner.

Decision Making:

All final transportation decisions (other than those requiring a vote of the people) are made by one or more groups of elected or appointed officials. Public meetings allow comments to be collected and may identify a consensus. The final decision, however, will be up to the elected and/or appointed officials based on a consideration of all related information.

Prior to each key decision point, ample opportunity will be offered for input and that input will be shared with the decision-makers.

To ensure a proactive public involvement process, LHMPO will provide time for public comment at each public meeting. The procedures (**Table 1**) will inform the public about how, when, and where they may participate.

9. Lake Havasu MPO Planning Boundary

The Lake Havasu Metropolitan Planning Organization (LHMPO) is responsible for transportation planning within the regional area encompassing Lake Havasu City and a small portion of Mohave County. The region covered by LHMPO is approximately 100 square miles.

10. MPO Organizational & Program Administration

General Organization

The “LHMPO” was established in 2013 with the responsibility for transportation planning within the regional area. The regional area generally encompasses Lake Havasu City, a portion of Mohave County and the state highway system within its boundaries. Federal legislation requires that an MPO be designated to carry out a comprehensive, continuing, and coordinated transportation planning process for urbanized areas with a population of 50,000 or more. Lake Havasu City is the fiscal and administrative agent for the “LHMPO”.

LHMPO Title VI Coordination and Administration

Compliance is ongoing and falls under duties for the “LHMPO” Director aka Manager, which includes, but is not limited to activities such as reporting and data collection, as well as advising the administrative staff of Title VI changes. The Title VI Nondiscrimination Program Coordinator is also responsible for preparing and submitting Title VI Plans once a year and an annual Title VI Accomplishment and Goals report.

The Title VI Nondiscrimination Program Coordinator will receive training from ADOT and will share the requirements of Title VI and related authorities with staff and committee members. The coordinator will also be responsible for developing the Title VI Plan and related reports and overseeing the implementation of the Plan.

Strategies to include disadvantaged populations (including individuals with language needs) in the transportation planning and grant awards processes are outlined in the LHMPO Public Involvement Plan.

LHMPO Membership – When and where possible the LHMPO strongly encourages and promotes participation of minorities on its committees. Membership is ultimately controlled and guided by Lake Havasu MPO Bylaws. These bylaws dictate from where and who the membership can be so while minorities are promoted, it is also limited to those people that are available from which people may be recruited or appointed.

LHMPO Executive Board

The Executive Board is the policy body of the “LHMPO” and consists of elected or appointed officials from the Lake Havasu City, Mohave County, one member from ADOT State Transportation Board (appointed by the Governor of the State of Arizona) and one ex-officio from Federal Highways Administration. As these members are either elected or appointed to serve on their respective County / City Boards / Councils, it is outside the LHMPO’s area of influence to promote minority participation. As the policy body, the function of the Executive Board is to coordinate transportation planning and related implementation activities within the metropolitan area. The Board must approve all agreements and contracts and the Chairman, or designee, signs all appropriate documents related to contracts and agreements. The Executive Board also reviews and approves the Title VI Nondiscrimination Program Plan.

Technical Advisory Committee (TAC)

The TAC is an advisory committee to the Executive Board. The eight-member committee is comprised of: the Lake Havasu City Manager or designee; Lake Havasu City Public Works Director or designee; Lake Havasu City Development Services Director or designee; Mohave County Public Works Director, or designee; Mohave County Development Services Director, or designee; Western Arizona Council of Governments (WACOG) Transportation Program Manager as well as representatives from the Arizona Department of Transportation’s Northwest District Engineering Office and Transportation Planning Division. In addition, there is an ex-officio non-voting member from Federal Highways Administration. Each of these agencies are asked to consider minorities where it is possible to represent their respective agencies on the TAC. The committee has the authority and primary responsibility to conduct technical reviews and analysis regarding all work activities of the Unified Planning Work Program and to advise the Executive Board on appropriate actions to be taken.

LHMPO Staff – Annually, ADOT External Civil Rights Office to offer Title VI Training / Overview for staff. Staff will also participate in FTA / FHWA Title VI Training that is made available throughout the year.

Executive Board – This training will occur annually and functions as part training and debriefing regarding highlights from the previous reporting year. The training portion is high-level and is tailored to identify and address major challenges and special emphasis areas findings from the Title VI Nondiscrimination Program Plan. LHMPO Staff and or the LHMPO Title VI Coordinator will provide this training.

Technical Advisory Committee (TAC) - This training will occur annually and functions as part training and debriefing regarding highlights from the previous reporting year. The training portion is high-level and is tailored to identify and address major challenges and special emphasis areas findings from the Title VI Nondiscrimination Program Plan. LHMPO Staff and or the LHMPO Title VI Coordinator will provide this training.

Subrecipients – Contracts will be reviewed to ensure that the assurances are being followed, which will be followed by training. The content of the training is developed specifically to address the issues / challenges facing each subrecipient as communicated through the subrecipient review. At the current time, the LHMPO does not have any subrecipients. LHMPO Staff and or the LHMPO Title VI Coordinator will provide this training.

13. Compliance and Enforcement

The LHMPO is a recipient of federal financial assistance. All recipients are required to comply with various nondiscrimination laws and regulations, including Title VI of the Civil Rights Act of 1964 (Title VI).

The LHMPO and its subrecipients of federal-aid funds must ensure that all its programs and activities are operated in a nondiscriminatory manner. Subrecipients will provide an annual report describing Title VI data findings from the agency and subcontractors, outreach methods, Title VI implementation changes and upcoming Title VI program goals. Annual reports are analyzed and categorized based on a high / low risk assessment. Compliance reviews of program areas, subrecipients, and consultant contracts of federal financial assistance will be conducted to determine level of compliance with Title VI requirements. The Title VI Nondiscrimination Program Coordinator will conduct compliance reviews annually to:

- Ensure compliance with Title VI.
- Provide technical assistance; and
- Correct deficiencies

High/Low Risk Assessment for internal program reviews:

- Deficiencies on Reports and Title VI Meeting Summaries
- Demographic data collection and analysis
- Date of last program area training
- Complaints received

Program Area Review

The Title VI Nondiscrimination Program Coordinator will review program areas for Title VI compliance. This will be done by examining data collection methods, public notification practices, and public participation practices. If deficiencies are found, then staff will look at best practices being used by other MPO's and / or ADOT.

Program Areas

- Long Range Transportation Plan, also known as Regional Transportation Plan (RTP)
- Transportation Improvement Program (TIP)

- Public Involvement Plan (PIP)
- Coordinated Public Transit-Human Services Transportation Plan
- Planning Studies (e.g. Safety, Transit, Bike/PED, etc.)

The Title VI Nondiscrimination Program Coordinator provides oversight to the program areas. This Coordinator will be responsible for overseeing the preparation and execution of all planning study contracts for consultants to ensure Title VI compliance.

FHWA Funded Contracts will be reviewed for the following:

- Include the most recent signed assurances.
- Include subrecipient signed assurances; and
- Ensure the consultant is complying with Title VI assurances.

Subrecipient Review

The Title VI Nondiscrimination Program Coordinator is responsible for reviewing subrecipient contracts and planning agreements for Title VI compliance. This is accomplished through contract review, training, onsite visits, and personal interviews of staff. At the current time, LHMPPO does not have any subrecipients.

Consultant Contract Review

The Title VI Nondiscrimination Program Coordinator is responsible for overseeing the preparation and execution of all planning study contracts for consultants to ensure Title VI compliance.

FHWA / FTA Funded Contracts will be reviewed for the following:

- Include the most recently signed assurances;
- Include subrecipient signed assurances; and
- Ensure the consultant is complying with Title VI Assurances.
- Ensure the consultant provides list of bidders and proof of registration within the AZ UTRACS system.

The following language is included in all contracts to ensure subconsultants are complying with Title VI:

- A copy of the Prime Contract is included as Attachment C. All portions thereof, including but not limited to Exhibit “C”-Appendix A of the Lake Havasu Metropolitan Planning Organization Title VI Plan and Exhibit “D”-Appendix E of the Lake Havasu Metropolitan Planning Organization Title VI Plan, not in conflict with any provision of this Agreement, are incorporated herein by reference.

Non-Compliance – If deficiencies are found

MPO Staff

If non-compliance is found in any of the Program Areas that a MPO Staff member is responsible for, the Title VI Coordinator will issue a formal written warning to the appropriate MPO staff member. A meeting will be held with the staff to discuss possible technical assistance, training, and an action plan towards

full compliance. If non-compliance continues, further disciplinary action and/or termination of staff may occur as determined by the Executive Director/Title VI Coordinator.

Subrecipient/Consultants

1. Within 30 days of the review, deficiencies will be documented in a report provided to the subrecipient/consultant, and the ADOT External Civil Rights office.
2. All deficiencies should be corrected within 90 days of receipt of the report.
3. Within 30 days of mailing the report, a meeting will be scheduled to discuss possible technical assistance and an action plan to meet full compliance.
4. Outstanding high-priority vital items will be submitted within 30 days of report mailing.
5. The subrecipient/consultant will be asked to submit a formal action plan within 45 days of report mailing.
6. Within 90 days, the subrecipient/consultant must be fully compliant on outstanding deficiencies.
7. If not compliant, the Title VI Coordinator will make a formal funding recommendation to the appropriate oversight division and/or federal authority.

The following can be outcomes of non-compliance with Title VI:

1. Withholding payments to the subrecipient/consultant under the contract until compliance, and/or
2. Cancellation, termination, or suspension of the contract, in whole or in part.

The Title VI Coordinator will determine if additional monitoring is needed to ensure ongoing compliance with Title VI requirements.

Compliance – If no deficiencies are found

MPO Staff

No action required.

Subrecipient/Consultants

A formal letter of full compliance will be provided within 30 days of on-site review along with a report of findings. The report may still provide recommendations for strengthening the Title VI Program.

The Title VI Coordinator provides oversight to the program areas. Annually, the Title VI Coordinator will report in the Goals and Accomplishment Report the findings from the analysis of the data collected throughout the year and explain the steps for each transportation program area in order to comply with Title VI Program requirements. Data collection and review procedures to be followed are outlined in the matrix table on the following page.

The following matrix outlines the program areas, general description of each program, and review procedures for data collection:

**LAKE HAVASU METROPOLITAN PLANNING ORGANIZATION’S
TITLE VI NOTICE TO THE PUBLIC**

The Lake Havasu Metropolitan Planning Organization (LHMPO) hereby gives public notice that it is the Agency’s policy to assure full compliance with Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, and related statutes and regulations in all programs and activities. Title VI requires that no person shall, on the grounds of race, color, national origin, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any Federal Aid Highway program or other activity for Lake Havasu MPO receives Federal financial assistance.

Any person who believes his/her Title VI protection has been violated may file a complaint. Any such complaint must be in writing and filed with the Lake Havasu MPO, Title VI Coordinator, within one hundred eighty (180) days following the date of the alleged discriminatory occurrence. Title VI Discrimination Complaint Forms may be obtained from the Lake Havasu MPO Office.

LAKE HAVASU
Metropolitan Planning Organization

Title VI

Annual Report

2026

Prepared By: Lake Havasu MPO

INTRODUCTION

The Lake Havasu Metropolitan Planning Organization (MPO) is committed to ensuring the full participation of all populations in regional planning activities. The Lake Havasu MPO nondiscrimination policy addresses Title VI, Environmental Justice, and federal and state statutes. Extensive public outreach and data analysis are conducted to provide equal benefits to protected populations and to protect those populations from shouldering a disproportionate burden during the planning process. These annual report details progress made, activities undertaken, and goals for involving the public in the transportation planning process.

For more information about this report or other civil rights concerns, please contact the Lake Havasu Title VI Coordinator, at (928) 453-2823.

REVIEW OF PROGRAM AREAS

To ensure compliance, each program and subrecipient is reviewed by the Lake Havasu MPO staff as contracts and planning agreements are developed. This includes a review of Title VI provisions to ensure adherence.

PROGRAM AREAS

The Title VI Coordinator provides oversight to the program areas. Annually, the Title VI Coordinator will report data collected throughout the year and outline the steps for each program area to comply with Title VI Program requirements in the Annual Report.

- ❖ Executive Board Meetings
- ❖ Technical Advisory Meetings
- ❖ 2050 Regional Transportation Plan
- ❖ Transportation Improvement Program (TIP)
- ❖ WACOG/LHMPO Transportation Coordination Plan
- ❖ Contracts – Review of Consultant Contracts
- ❖ Subrecipients – Review of Subrecipients
- ❖ Training
- ❖ Investigations, Complaints, and or Lawsuits

FY 2026 ACCOMPLISHMENTS

Listed below is a review of each Program Area, and Data Collection.

LAKE HAVASU MPO EXECUTIVE BOARD MEETINGS

The Executive Board's function is to act as a policy body, coordinating transportation planning and related implementation activities within the Lake Havasu MPO transportation region.

The Board must approve all agreements and contracts, and the Chairman must sign all appropriate documents related to contracts and agreements. The activities include but are not limited to, approving previous meeting minutes, approving various federal required documents, and discussing and planning various transportation-related activities. Additionally, there is an open discussion regarding the Transportation Improvement Program, Carbon Reduction Program projects, HSIP Applications/call for projects, and the Traffic Signal Analysis & Modeling Study.

LHMPO's Executive Board had Six (6) meetings from July 1, 2025-June 30, 2026. (Dates, agendas, and minutes are on LHMPO's website). Agendas are posted a minimum of 5 days prior to the meeting.

At all Executive Board meetings, the Lake Havasu MPO staff post the Title VI Notice to the public, make available as handouts "Your Rights Under Title VI," and the "Self-Identification Survey". Due to COVID-19, meetings are a hybrid between in-person and virtual and/or telephonic. In order to meet compliance, a link to the Title VI public notice and a link to the self-identification surveys (English and Spanish) has been added to all meeting agendas and posted in the chat box of the virtual meeting space (e.g. Zoom, Teams, WebEx, etc.).

-Accommodation such as sign language and translation for individuals with language needs are available at least 48 hours prior to the meetings.

No requests were made for special accommodation from 2025-2026

LAKE HAVASU MPO TECHNICAL ADVISORY COMMITTEE (TAC)

The Technical Advisory Committee (TAC) has the authority, and primary responsibility to conduct technical reviews regarding all work activities of the Unified Planning Work Program; to recommend project awards,

and to advise the Executive Board on appropriate actions to be taken for the overall planning direction of the region.

The activities included, but were not limited to, approving previous meeting minutes, approving various federal required documents, and discussing and planning various transportation-related activities. Additionally, there was open discussion regarding the HSIP Applications/call for projects, the Transportation Improvement Program, Carbon Reduction Program projects, and the Traffic Signal Analysis & Modeling Study.

LHMPO's Technical Advisory Committee had Six (6) meetings from July 1, 2025-June 30, 2026. (Dates, agendas, and minutes are on LHMPO's website). Agendas are posted a minimum of 5 days prior to the meeting.

At all Technical Advisory Committee meetings, the Lake Havasu MPO staff reads the Title VI statement, posts the Title VI Notice to the public, and makes available as handouts "Your Rights Under Title VI," and the "Self-Identification Survey". Due to COVID-19, all meetings are being held virtual and/or by telephonic. In order to meet compliance, a link to the Title VI public notice and a link to the self-identification surveys (English and Spanish) has been added to all meeting agendas and posted in the chat box of the virtual meeting space (e.g. Zoom, Teams, WebEx, etc.).

2050 REGIONAL TRANSPORTATION PLAN (RTP)

Every five years, the LHMPO updates the Regional Transportation Plan (RTP). This plan provides a common vision for the region's future transportation needs and guides the investment of public funds in transportation facilities over the next 25 years. It includes short-, mid-, and long-term transportation strategies and addresses all modes of transportation, including automobile, bicycle, pedestrian, transit, truck, air, and rail movements.

LHMPO, TAC, and Executive Board in coordination with the consultant Kimley-Horn is in the process of creating the 2050 Regional Transportation Plan (RTP). The dates, agendas, and minutes will be found on the Lake Havasu MPO website. The 2050 RTP began in late June of 2025.

TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

The Transportation Improvement Program (TIP) is a federally mandated four-year program of all surface transportation projects that is consistent with and implements the goals and objectives described in the LHMPO's Regional Transportation Plan. The TIP is required to be prepared in complete detail identifying projects, assigning projects in appropriate periods, and identifying costs associated with each project as well as a funding source. All federally funded transportation projects within the Lake Havasu MPO planning boundary must be programmed in the Lake Havasu TIP.

Administrative changes, as well as TIP Amendments, are posted on the Lake Havasu MPO website at www.lhmipo.org. The LHMPO Technical Advisory Committee meetings as well as the LHMPO Executive Board meetings are open to the public, thereby providing the opportunity for the public to comment on any TIP changes made by the Lake Havasu MPO. TIP Amendments go out to the public for a 30-day review.

On April 18, 2025, and May 8, 2025, legal advertisements for the 30-day Public Comment Period for the 2026-2030 Transportation Improvement Program (TIP) were published in the Today's News-Herald, posted on the Lake Havasu MPO website at www.lhmipo.org, and the LHMPO social media webpages in both English and Spanish. Following the 30-day comment period, **no comments were received from the public.**

On April 14, 2026, the Executive Board approved the 2027 Update to the 2027-2031 Transportation Improvement Program (TIP).

WACOG/LHMPO TRANSPORTATION COORDINATION PLAN

WACOG in partnership with the LHMPO provides Mobility Management (MM) in the LHMPO transportation planning region and Mohave County.

The Human Services Transportation Coordination Plan identifies the transportation needs of individuals with disabilities, and older adults; provides strategies for meeting these needs; and prioritizes transportation services for funding and implementation. Demographic maps and data are reviewed annually to ensure that services are offered to everyone. WACOG and Lake Havasu MPO are committed to providing outreach to nonprofit agencies providing services to persons with disabilities to discuss regional coordination and collaborative planning opportunities in human services transportation. This includes outreach to stakeholders in Mohave County to ensure agencies from the small urban and rural areas have an opportunity to participate in regional coordination efforts.

To ensure equal benefit to protected populations and to protect those populations from shouldering a disproportionate burden during the planning process public participation is welcomed and encouraged by WACOG and the Lake Havasu MPO. There are numerous and varied techniques/activities to provide the opportunity for public and stakeholder involvement. WACOG and the Lake Havasu MPO obtain input in a variety of ways including, but not limited to public hearings, newspaper advertisements, small and large group presentations, committee meetings, website postings, and e-mail correspondences.

WACOG on behalf of LHMPO continues to update the para-transit summary listing services and providers in the LHMPO transportation planning region. WACOG also continues to distribute referral postcards with WACOG contact information. WACOG referral program helps reduce confusion to the public and directs clients/citizens to the appropriate services throughout the LHMPO region.

The Coordination Plan was submitted to ADOT on March 4, 2024.

REVIEW OF SUB RECIPIENTS

At the current time, the Lake Havasu MPO does not have any sub recipients.

REVIEW OF CONSULTANT CONTRACTS

The Title VI Coordinator is responsible for overseeing the preparation and execution of all planning study contracts for consultants to ensure Title VI compliance. During the reporting period, the Lake Havasu MPO executed the following planning-related services/activities.

The projects used a combination of federal and/or in-kind matching funds. The Request for Proposal (RFP) for all MPO planning projects included the Title VI Assurances, nondiscrimination statements, and language pertaining to the incorporation of all Title VI provisions in every subcontract. Additionally, as part of the general RFP requirements for contracted planning studies, all federally funded projects are assessed for a DBE goal. The Lake Havasu MPO encourages and supports firms that are verified Disadvantaged Businesses Enterprises (DBE). All RFPs are distributed to an extensive list of contractors, including DBE/MBE firms. All firms must be registered in AZ UTRACS to be eligible to apply.

Additionally, Lake Havasu MPO has created a demographics request form to capture Title VI and demographics information on all contractors and or subcontractors that provide professional services on behalf of the Lake Havasu MPO. The newly created form will be inserted into all formal solicitations or requests for quote packages. The data collected from this form allows for the analysis of our contractors and subcontractors in regard to Title VI and or Disadvantaged Business Enterprises.

Agenda Item # 6

**LAKE HAVASU MPO
REQUEST FOR ACTION**

SUBJECT: Discussion and Possible Action to Approve the Surface Transportation Block Grant & Carbon Reduction Program Loan-Out to ADOT

SUBMITTED BY: Sarah Lojewski, MPO Director

AGENDA TYPE: Discussion/Action

ATTACHMENTS: FY 2026 Loan-Out to ADOT

SUMMARY/BACKGROUND:

Surface Transportation Block Grant (STBG), and Carbon Reduction Program (CRP) funds are the federal funds allocated to the LHMPO for transportation-related projects every fiscal year. Any funds not directly tied to a project are considered unencumbered or lapsing if not expended (i.e., STBG/CRP funds are considered “use it, or lose it” each fiscal year). Any lapsing funds at the end of the fiscal year risk being swept by ADOT. In order for the LHMPO to carry forward lapsing or unencumbered federal funds, the LHMPO must “Loan-Out” the funds to ADOT or another COG/MPOs in the fiscal year the funds are scheduled to expire. The LHMPO then receives “Repayment” in the following fiscal year or future fiscal years.

The following is the proposed Loan-Out for FY26:

<i>Loan #</i>	<i>Loan Description</i>
23L1	LHMPO LOAN-OUT TO ADOT <ul style="list-style-type: none">• FY 2026 LOAN-OUT of ALL lapsing funds (expected \$1,431,276.50 in STBG, and \$102,717.03 in CRP; all totaling \$1,533,993.54. (Amounts subject to change before June 30, 2026)• REPAYMENT in FY 2027 (OA - STBG/CRP) – Loan-Out will aid in maintaining a fiscally constraint TIP and is necessary to fund future STBG and CRP Projects.

ACTION OPTION:

Motion to approve the FY2026 Loan-Out to ADOT.

OR

Motion to approve the FY2026 Loan-Out to ADOT with noted changes.

Email completed form to Arizona Department of Transportation Financial Management Services at resourceadmin@azdot.gov. Requests for loans to ADOT must be received by March 31st and finalized by June 15th; allow two weeks for approval. Signed transfer/loan requests between COGs/MPOs must be received by ADOT by June 15th each year. Transfers generally will appear on the next ledger, depending on the date of receipt.

This request will be processed based on the amount of apportionments and obligation authority available to the loaning/transferring agency at the time of receipt, which may be different than the amount shown on the most recent ledger. Loans are to be repaid; transfers will not be repaid.

Loans of apportionments and/or obligation authority to ADOT - these loans are not guaranteed; are capped at a total, maximum of \$10 million annually; are limited to greater Arizona STP projects in a TIP which exceed the region's available STP allocation; will be on a first come, first served basis if available; require advance approval. Every effort should be made to reprogram federal funds on projects ready to authorize by June 30th annually or to loan to other regional entities before approaching ADOT about a loan. Requests for Loans to ADOT must be submitted by March 31st annually.

Loans/transfers from MAG or PAG to Greater Arizona have certain restrictions, depending on the type of funding and population in the area of the project to which the loan is related. Contact Financial Management Services at resourceadmin@azdot.gov for further information.
